Westview Unified School District: Individualized Education Program

SYNTHETIC SAMPLE. Fictional student for software testing.

Student: Jordan Avery Test | DOB: 03/14/2011 | Grade: 10 | School: Westview High School

IEP meeting date: 09/18/2026 | Next annual review: 09/17/2027 | Triennial reevaluation due: 09/2028

Primary eligibility: Other Health Impairment (OHI). Secondary eligibility: Specific Learning Disability (SLD) in written expression.

Basis for OHI: outside diagnosis of Attention-Deficit/Hyperactivity Disorder, combined presentation, provided by the family's pediatrician.

Present Levels of Performance

Teacher report (Ms. Rivera, English 10): Jordan completes about half of independent writing assignments, frequently leaves his seat, and needs repeated redirection during whole-class instruction.

Parent concern: homework takes over three hours nightly and ends in arguments; Jordan says he is 'stupid at school' and has stopped seeing friends on weekends.

Services

Service	Frequency	Location
Specialized academic instruction (writing)	150 minutes weekly	Resource room
School counseling	30 minutes monthly	Counseling office

Accommodations

Extended time (time and a half) on tests and written assignments. Preferential seating near instruction. Chunked assignments with check-ins. Access to word processor for writing tasks.
